## NEWS FROM THE EGM

In early February POFR members were invited to an Extraordinary General Meeting at Dumbleton Hall. The purpose of the meeting was to pass a special resolution to amend the Articles so that certain specified charities could be the potential recipients of the proceeds of the sale of The Waterhead Hotel. It was made clear that the Articles state that the monies have to be used in accordance with the objects of the Company, that is in order to commemorate those members of the Post Office who gave their lives in the World Wars and to be a living memorial to those men and women of the GPO who died in the two World Wars.

The resolution was passed unanimously, and the Board was instructed to further investigate the three specified charities. These charities were The National Memorial Arboretum Company Limited, Bletchley Park Trust Limited and Postal Heritage Trust. It was stated that this current list of three charities maybe extended at a future date and following agreement by another Members' vote. The resolution enables the POFR Board to further investigate and decide which of these three charities may be recipient(s) of the funds derived from the sale of the Waterhead Hotel. This is an ongoing news item and more information will be given as the situation develops.
